Our Patron

VISION

To become a premier institute of higher education in Northeast India, committed to providing value-based, soulful higher education for people, especially the tribal youth, in order to help them be honest seekers and practitioners of truth and earnest agents of transformation within and around them.

MISSION

To mould intellectually competent, professionally skilled, spiritually evolved, morally upright, socially responsive, and culturally tolerant citizens, through holistic Claretine education, for advancing a civilization of love.

CORE VALUES

- Faith in God
- Integrity
- Peace
- Cooperation
- Personal Competence

Welcome to Saint Claret College (Autonomous), Ziro (SCCZ)

Together we will script a vision for your tomorrow.

SCCZ Campus

Saint Claret College (Autonomous), Ziro is located at a picturesque and serene 20-acre green-spread at Salaya, 3.5 kms from Old Ziro, in the Lower Subansiri District of Arunachal Pradesh, the land of dawn-lit mountains. The college has state of the art infrastructure which includes two academic blocks, library, residential halls, chapel, canteens, indoor and outdoor sports facilities, etc.

Management

SCCZ is established and served by the Claretian Missionaries. The Congregation was founded on July 16, 1849, by St. Anthony Mary Claret, in Spain. The Claretians are a group of catholic priests and brothers who, inspired by the love of God and in the charism of St. Anthony Mary Claret, have committed themselves to doing whatever is urgent, timely and effective for the authentic welfare of the peoples, especially those on the margins. At present, there are over 3000 Claretians working in 65 countries.

About SCCZ

The College is permanently affiliated to Rajiv Gandhi University, Itanagar, and is recognized by the University Grants Commission (UGC) under sections 2(f) and 12(B) of the UGC Act. In 2024, SCCZ has received approval from the All India Council for Technical Education (AICTE) to start the BBA programme. The College is a member of the Claretian Consortium of Educational Institutions, Xavier Board of Higher Education in India (XBHEI), All India Association of Christian Higher Education (AIACHE), and has MoUs with other institutions.

SCCZ was accredited with Grade 'A' in 2016 (Cycle 1) by National Assessment and Accreditation Council (NAAC) and has retained the Grade 'A' in Cycle 2 of its accreditation in 2024. The College has been conferred Autonomus status by UGC and RGU in 2024 making it the only college in Arunachal Pradesh to be conferred this prestigious status. As an Autonomous College, SCCZ has the freedom to design syllabi, introduce new programmes and courses, introduce innovative assessment and testing patterns, conduct examinations and announce results. The degrees are however conferred by Rajiv Gandhi University, with the name of the College on the certificate.

Rooted in Gospel values, SCCZ believes in soulful education that provides for skills of body, mind, and spirit. With its dreams for a healthy mixture of traditional and innovative educational endeavours and extension programmes, Saint Claret College seeks to realize the educational dreams of the people whom it serves.

Thank you for choosing SCCZ. The ensuing pages will present to you the academic programmes, and instructions relating to the admission procedure at SCCZ. Read them thoroughly before selecting the academic programme as per your interest and aptitude.

Preference will be given to those who have appeared / qualified in CUET-PG / RGUCET 2025.

MASTER OF ARTS (M.A.) IN POLITICAL SCIENCE

The Master of Arts (M.A.) in Political Science is a postgraduate programme specifically designed to offer in-depth knowledge and advanced research abilities in the field of political science. This programme is well-suited for individuals who want to enhance their knowledge of political systems, political behaviour, policy analysis, international and regional organizations, international relations and foreign policy. It can also serve as a preparation for further study at the doctoral level.

Key Academic Disciplines

The core curriculum generally encompasses essential aspects of political science, such as:

- Political Theory, International Relations, World Politics, Public Policy and Administration, Research Methods, Political Thought etc.

Electives: Students have the option to select electives that align with their personal interests and professional aspirations.

Project Report is a mandatory requirement for the M.A. Political Science programme. This entails undertaking independent study on a chosen subject, showcasing the capacity to apply theoretical knowledge and research abilities to practical political matters. Faculty members oversee the written dissertation, which may include an oral defence.

Job prospects

Individuals who have obtained a Master of Arts degree in Political Science have the opportunity to explore diverse professional avenues, including:

- Academic Careers, Government and Public Service, Non-Governmental Organisations (NGOs), International Organisations, Private Sector

Skills that will be acquired

Students who successfully complete an M.A. in Political Science acquire a diverse set of abilities, which encompass:

Analytical Skills, Research Skills, Communication Skills, Problem-Solving Skills, Interpersonal Skills, etc.

M.A./M.Sc. GEOGRAPHY

M.A./M.Sc. Geography is a 2-year postgraduate program. In order to be eligible for this programme, the applicant must possess a bachelor's degree in geography from a recognised university. Geography is the scientific examination of the Earth and its interactions with human beings, encompassing factors such as population and resource distribution, as well as economic and political activities.

The course curriculum includes Geographical concepts, Physical Geography, Human Geography, Geographic Information Systems (GIS), Environmental Geography, Geomorphology, Economic geography, Man & Natural environment, Quantitative approaches in geography, Climatology & oceanography, and other related courses. Students acquire distinctive skills such as geospatial information systems and cartography

Curriculum Structure

- Core Courses: Generally encompass fundamental principles in geography, research methodologies, and theoretical frameworks.
- Electives: Enable students to focus on specific areas of interest, such as urban geography, biogeography, geopolitics, or geospatial analysis.
- Field Work and Project Report: Students are obligated to fulfil the requirement of either producing a thesis that is grounded in original research or completing a comprehensive field-work project. By doing this, students are able to showcase their comprehension of geographical theory and methodologies

Job prospects

Individuals who have obtained a Masters degree in Geography have the opportunity to explore a wide range of employment options including Urban and Regional Planning, evaluating land utilisation, transportation infrastructure, conducting environmental impact assessments, Environmental Management, GIS Specialist, International Development, etc.

Skills that will be acquired

Analytical thinking, research skills, communication skills, subject specific technical skills, interdisciplinary knowledge, etc.
